HIGH TECH COUNCIL

N H TechWomen | TechGirls

Annual Luncheon Awards
NOMINATIONS FORM

Email to: Shannon Herrmann | sherrmann@alexandertg.com

The objective of the TechWomen Annual Awards is to celebrate women who are contributing to the furtherance of STEM education and/or professional STEM advancements for women throughout New Hampshire. These awards recognize technology-focused women who are driving innovation, influencing technology companies, and are passionate about the technology community here in our state.

Qualifications for all women nominated is that they have been effective in supporting STEM/Technology education and/or to further the advancement of Women & Girls in the Technology sector as a student, teacher or professional.
