

Advanced (\$10-\$25M in annual revenue)

The New Hampshire Tech Alliance created and adopted a new membership structure, effective January 2019. The new model incorporates new and expanded benefits into each membership tier. Historically, the tier structure has been based on revenues and the new tiers include a startup category that has a free one-year membership for new members with revenues under \$500,000, and a value-added package for our larger members that includes significant sponsorship discounts and promotional opportunities. The new membership tiers include Individual, Academic and Municipal Partners, Start Ups, Innovator, Accelerator, Advanced, Enterprise and Tech Ecosystem Partner.

Benefits

- 20% sponsorship discount off list rate
- Up to 20 discounted tickets per event
- Ability to have representation on up to 5 Alliance committees
- Logo and link included on Alliance website
