Your Support Matters

The NH Tech Alliance, formerly known as the NH High Tech Council, is a nonprofit organization that relies primarily on our membership and sponsorship revenues to support our mission. By sponsoring Alliance initiatives and activities, you are providing critical support to the Alliance that is invested right back into our programming, outreach, and advocacy. Thank you for your support.

TechWomen Annual Luncheon

"I'm very proud to have been named TechWoman of the Year (2017) by a group of women who are trying to better the world for the upcoming generation. Women/girls in STEM is obviously a topic that's close to my heart as I am a female engineer and did not have a lot of female mentors while growing up."
