

NH TECH ALLIANCE

PRODUCT OF THE YEAR

Product of the Year is one of New Hampshire's largest business events and offers finalists and winners significant visibility through the judging process and product demonstrations, both at the event and in overall promotions. The 2021 virtual event had over 5,600 views. In 2022 we will live stream again and also host an in person watch party and networking event.

Contact Stephanie Baxter for more info at stephanie@nhtechalliance.org
